My bedroom is new. It's beautiful.

It's orange because there are four orange walls with some posters on the walls.

There is the big blue bed next to the green door. There is the big wooden table next to the wardrobe. The wardrobe is made of wood, too. There are my clothes in my wardrobe.

In front of the table is the chair but it isn't made of wood. It's made of green plastic.

Under the table there is the big red box. My toys are in the box. There are some toys under my bed and behind the wardrobe. My heavy brown schoolbag is next to the chair.

My bedroom is a comfortable place to take a rest. It is a good place for relax.

I can do everything that I want to do in my room.
